

## What can I do at home?

### Independence

Encourage your child to put on their own coat

Don't forget to join our facebook group

### **Havannah Pre-school 2021**

This group is a really useful way for me to share key information and for you to contact me if you have any questions.

The children have been enjoying our new reading snug this week.

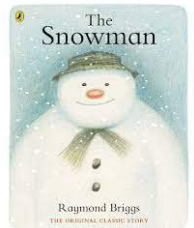

## We have been busy bees

- We have been working hard this week looking at The Gruffalo's Child
- In funky finger activities we have been preparing for our pencil grip by working on building strength and dexterity.
- In our Makaton sessions we have been learning signs for some Christmas songs.
- In Read Write Inc. we have enjoyed some amazing winter stories and looked at the letters b, f and e.
- In mark making we have used our elbows and shoulder pivots to draw big shapes.
- In math's we been counting accurately and recognising numerals. We have also been using the language of big and small and measured the Gruffalo's footprints using cubes.
- In Expressive arts and design, we have been printing with different objects and paints.

## Next week

- Christmas stories and Nativity stories
- Our book of the week will be the Snowman by Raymond Briggs- we will look at answering questions about the story and predicting what we think will happen next.
- Learn and recall songs and stories using Makaton signs and symbols to help.

## Notices

1. Please send waterproof coats and wellies on soggy days and warm clothes for chilly days. If your child comes in in wellies please make sure that they have shoes for inside play.
2. Please check the facebook group for daily updates and messages
